---

## PROFESSIONAL SUMMARY

Cybersecurity professional with hands-on experience in security operations, incident response, vulnerability management, and digital forensics. Passionate about threat hunting, penetration testing, and security infrastructure. Proven ability to leverage enterprise-grade security tools and maintain an advanced home lab for continuous learning.

---

## EDUCATION

### Point Loma Nazarene University

*Bachelor of Science in Computer Science: Cybersecurity (2020-2024)*

Honors: Magna cum laude

### James C. Enochs High School

*High School Diploma (2016-2020)*

Honors: California Scholarship Federation

---

## CERTIFICATIONS

- **CompTIA Network+** (2020-2028)
  - **CompTIA Security+** (2022-2028)
  - **CompTIA Pentest+** (2025-2028)
  - **GIAC GICSP** (2024-2028)
  - **ISC2 Certified in Cybersecurity (CC)** (2023-2026)
  - **Security Onion Certified Professional** (2025-2028)
- 

## TECHNICAL SKILLS

- **Security Tools:** Security Onion, GRR, Wazuh, Nessus, Metasploit, Nmap, Hashcat, Wireguard, Certbot, Caddy
- **Virtualization & Infrastructure:** Proxmox, VMware Workstation, VirtualBox, Unifi
- **Programming Languages:** Java, Python, C++, C#, Bash, Powershell
- **Networking & Security:** Vulnerability management, endpoint security, ICS security, IoT security
- **Digital Forensics:** Chain of custody tracking, evidence management, forensic workstation maintenance

- **Help Desk & IT Support:** Active Directory, SSO, enterprise computer management, ticketing systems
- **Home Lab:** Proxmox, TrueNas Scale, SecurityOnion, Metasploitable, Caddy, Bitwarden, Pi-Hole, Wireguard, NUT, Nessus, CTFd, Docker, Minecraft, Authentik, HomeAssistant, Cloudflare, Jellyfin and Handbrake. For more information: <https://github.com/SenorC4/HomeLab>

## PROFESSIONAL EXPERIENCE

### Cybersecurity Specialist TS/SCI

*U.S. ARMY Cyber Command (Aug 2024-Present)*

- Attended red team, incident response, and threat hunting training
- Participated in Carnegie Mellon threat hunting exercises
- Participated in Mission Element Collective Training (MECT)

### Cybersecurity Intern

*U.S. ARMY Cyber Command (Jun 2023-Jul 2023)*

- Competed in a NATO CTF competition hosted by the Cyber Threat Emulation team
- Shadowed a training mission covering preparation, hunting, and reporting stages
- Gained hands-on experience with Security Onion, ELK, and Microsoft Visio

### Information Security Analyst

*Point Loma Nazarene University (Sep 2022-May 2024)*

- Conducted vulnerability management and reporting
- Ensured secure configurations and password policies on IoT devices
- Managed patching of servers, endpoints, and IoT systems
- Monitored and supported endpoint security platforms
- Conducted InfoSec reviews for new and existing vendors

### Cyber Security Analyst Intern

*FIT Solutions, LLC (Feb 2022-Jul 2022)*

- Provided 24/7 security monitoring and investigation of client security feeds
- Coordinated with IT and security teams to implement remediation plans
- Delivered monthly security reports to clients

## **Digital Forensics Intern**

*TransPerfect Legal Solutions (Jun 2019-Sep 2019)*

- Maintained evidence management systems and tracked the chain of custody
- Researched and tested digital collection applications and workflows
- Managed IT needs for forensic workstations, including patching and software updates

## **Help Desk Technician**

*Point Loma Nazarene University (Aug 2021-Sep 2022)*

- Provided technical support for students, faculty, staff and alumni
- Utilized Active Directory and OneLogin SSO for user management
- Managed enterprise computing and inventory systems

## **Substitute Computer Technician**

*Modesto City School District (Dec 2020-Mar 2022)*

- Assisted students and staff with computer and network troubleshooting
- Managed large-scale device roll-outs and software updates
- Upgraded networking equipment throughout a multi-site environment

## **Teaching Assistant**

*Point Loma Nazarene University (Jan 2022-Dec 2022)*

- Assisted students with Java and C++ programming coursework
- Graded assignments and provided tutoring during office hours

---

## **ACHIEVEMENTS**

- **DoD SMART Scholar**
- **Founder & President**, Enochs High School Cyber Security Club
- **Founder & President**, Point Loma Nazarene University Cyber Security Club
- **AFA CyberPatriot Platinum Semifinalist** - (2018, 2019)
- **1st Place**-California Mayor's Cyber Cup - (2019)
- **1st Place**-Lawrence Livermore National Laboratory Cyber Defense Challenge - (2019)
